

Important Information

To meet the requirements of the Unclaimed Monies Act of Victoria, the Ballarat Swap Meet Board can only issue refunds of prepaid 2023 site fees directly to site holders until Friday 31 May 2024 after which it must pay all unclaimed site fees it still holds on that date to the State Revenue Office. Accordingly, we are giving all site holders who have not claimed a refund of their 2023 site fees until Tuesday 21 May 2024 to:

1. Request a refund by providing details of the bank account they would like the refund paid into along with the number of the receipt issued to them at the time of prepaying their 2023 site fee in an email to info@ballaratswapmeet.com.au or text message to 0487 175 996.
2. Advise that they would like to donate their prepaid site fee(s) to the Rotary Foundation and receive a tax deduction.

If no response is received from a site holder by Tuesday 21 May 2024, then their prepaid fees will be passed onto the State Revenue Office of Victoria on Friday 31 May 2024. Please note that after this date site holders will still be able to apply for a refund of their site fees by lodging a claim with the State Revenue Office.
